## TRISTAN XII

OKINAWA JAPAN 22 – 27 June 2025

The 12th Triennial Symposium on Transportation Analysis

<https://tristan2025.org/>

We are delighted to announce **TRISTAN XII** from **June 22 to 27, 2025**, in Okinawa, Japan. Set in a venue with breathtaking ocean views, this symposium will bring together experts worldwide to discuss the latest advancements in transportation analysis, with a special focus on humanitarian operations research and autonomous driving. This event offers a unique blend of scientific rigor and the natural beauty of Okinawa, promising to foster community and innovation among transportation scientists.
