

# APBC 2026

Join us!

The 24th Asia Pacific Bioinformatics Conference

**Next-Generation Bioinformatics in the Era of AI and Big Data:**  
**INNOVATE, INTEGRATE, IMPACT**

- October 21-24, 2026**
- NYCU Bio-ICT Building, Boai Campus, Hsinchu, Taiwan**

## KEYNOTE SPEAKERS

**Prof. Seiya Imoto**  
Institute of Medical Science  
University of Tokyo, Japan

**Prof. Denis Shields**  
School of Medicine  
University College Dublin, Ireland

**Prof. Wen-Hsiung Li**  
Biodiversity Research Center  
Academia Sinica, Taiwan

### Accepted Papers recommended for publication on

- ✓ IEEE/ACM Transactions on Computational Biology and Bioinformatics
- ✓ Computational Biology and Chemistry
- ✓ Current Bioinformatics
- ✓ Journal of Microbiology Immunology and Infection
- ✓ Journal of Information Science and Engineering

Structural Bioinformatics & MD Simulations

Biomedical Informatics & Precision Healthcare

Network Biology & Systems Biology

Microbiome & Precision Medicine

Single-cell & Spatial Transcriptomics

AI in Bioinformatics

Multi-Omics Integration

Drug Response & Drug Design

**Paper Submission Deadline  
Extended to  
July 10, 2026!**

### IMPORTANT DATES

Paper Submission Deadline  
**June 15**  
Early Bird Registration  
July 1-Sept 15, 2026

**DEADLINE  
EXTENDED**

### ORGANIZED BY

- National Yang Ming Chiao Tung University
- Taiwan Bioinformatics and Systems Biology Society
- Taiwan Society of Evolution and Computational Biology
